

## Christmas is Here!

ALL: Christmas is here again, Sing of good cheer again,  
Sing of a manger and shepherds and silent night  
Christmas is here again, sing of good cheer again,  
Sing carols and stars so light--- burning bright.

FATHER: *This time of the year, best time of the year  
Wife, family, home, call this man lucky*

MOTHER: *Best time of the year, our time of the year,  
You free from your work being so near.*

PETER: *Look at the train, Look at the train*

MOTHER & FATHER: *And each year like the last!*

ALL: Christmas is here again, Sing of good cheer again,  
Sing of a stocking and reindeer and Santa Claus  
Christmas is here again, sing of good cheer again,  
Give presents to you and yours, all because.

Christmas night, so very long ago,  
Jesus Christ our Saviour was born,  
To save our souls from all of our earthly sins  
On a cross crown-éd with thorns

What a child, born this night, in a manger, in a stall  
We must not forget the children's love  
For a child saved us all.

RUTH & COOK: *Christmas is here again,*

COOK: *Food getting dear again,*

RUTH & COOK: *Hundreds of thousands of callers all dropping by*

COOK: *All for a taste of my pies*

RUTH: *Christmas is here again*

COOK: *Mince pies and beer again, can't wait till boxing day  
Then I can quietly die*

RUTH: *Good evening , so glad you came*

ALL: Christmas is here again, sing of good cheer again  
Sing of a banquet of turkey and ham laid out  
Christmas is here again, sing of good cheer again,

RUTH & COOK: *Sing carrots and brussell sprouts, and pigging out!*

*BOBBIE: Why can't my life-----  
This time next year, one year older,  
What might happen then*

*PETER: Look at the train*

*M & F: Look at the train and each year like the last.*
